PERSONAL PROFILE

I am final year undergraduate student in Computer Science, with strong foundation in Web Development and a passion for creating dynamic and intuitive web applications. I am proficient with React, CSS, MongoDB. I am interested in Internet of Things. I'm very skilled in working with Arduino Uno and sensors. Leveraging these skills I want to develop innovative solutions to the problems.

EDUCATION

•**Parul Institute of Engineering and Technology** *2024*
B.Tech, Computer Science and Engineering CGPA: 7.84

•**Kendriya Vidyalaya 1, Gandhinagar** *2020*
